

Champion Forest Garden Club

We are an **ACTIVE** group of 35+ ladies who enjoy learning new ways of gardening, working for the betterment and beautification of our community and having fun in our fellowship with each other.

Our most recent projects:

- ✿ Purchasing and planting two esplanades in Champion Forest with native plants
- ✿ Judging Yard of the Month every month, March through November
- ✿ Sponsoring a Holiday Decoration contest
- ✿ Making Christmas wreaths and garland to beautify Champion Forest
- ✿ Planting wildflowers on the banks of Dry Gully
- ✿ Designing and purchasing the Marquee at Champion Dr and Louetta where Yard of the Month winners are listed along with other Garden Club information.

Garden Club members planting native plants on the esplanade at Champion Forest Dr and Cypresswood

Our fundraisers:

The Garden Club supports their endeavors from the proceeds of both an annual Nut Sale and a bi-annual Backyard Garden Tour. Garden Club members sell a large variety of nuts, trail mixes and nut confections each year in the Fall. Champion Forest residents have come to rely on some of their own special favorites from the tempting array of goodies. The Nut Bagging Party is a special time when as many hands as possible are needed to assist. The Backyard Garden Tour showcases four of Champion Forest's most beautiful backyards with Garden Club members selling tickets and helping to show off the beautiful plantings and landscaping of the various backyards.

Members weigh and bag over 1900 pounds of nuts and deliver them to their customers!

Our meetings:

The Champion Forest Garden Club meets in members homes at 9:00 AM, the second Thursday of each month, September through May. If you are interested in becoming a member and would like to attend one of our meetings as a visitor, please call or write Dawn Turlak at 281-320-9865, dturlak@att.net. We always look forward to meeting ladies who are interested in our club and our activities.
